2019 Higher School Certificate Results

Dear Parents and Students,

On behalf of the Arndell Anglican College Community, we would like to congratulate our Year 12 students on achieving excellent results in the 2019 Higher School Certificate. For many of our students, they have indeed achieved personal best results due to the hard work which so many of them displayed over the two year programme of study. In total 49 Band 6 and E4 results were obtained.

Special mention needs to be made of **Muir McLennan** as a 'HSC All Rounder' along with his 'First in Course' in Society and Culture. **Hannah Batchelor** also needs to be acknowledged as a 'Top Achiever' for placing in the top 10 students in the state for Industrial Technology.

The following subjects all had students achieve Band 6 results (the top band in the HSC):

Biology, Chemistry, Drama, Earth and Environmental Science, Economics, English Advanced, French Beginners, Geography, Industrial Technology, Investigating Science, Legal Studies, Mathematics 2 Unit, Mathematics Standard, Modern History, Music 1, PDHPE, Society and Culture, Software Design and Development, Textiles and Visual Arts.

Extension 1 English, History Extension, Extension 1 Mathematics also had students achieve E4 (the top band for Extension subjects).

76.5% of the HSC results were located in the top three bands, these results were one of the strongest in the College's history. The ATAR results will be released later today and when we have an accurate indication from the students as to what they have achieved, we will inform the College community accordingly.

It was wonderful to see so many students sharing their achievement this morning at the HSC BBQ and I encourage them to contact the College or email katrina.new@ardell.nsw.edu.au with ATAR results and their plans for the future.

Best Wishes for an enjoyable Christmas.

Yours sincerely,
