### **Lesson Scheduling:**

- Lesson times will be allocated by the School of Performing Arts Tutors.
- Lessons take place during the school day, term time only.
- Lessons are organised on a rotational basis and all attempts are made, but cannot be guaranteed, so that the student does not miss a particular class more than once or twice per term.
- Times are allocated in consultation with the faculty of that student and the Tutor. Consideration is also given to learning support and other concerns that may be highlighted by the faculty.
- In the case of a before / after school timeslot availability preference is given to senior students.
- Parents / carers will not be able to negotiate a preferred timeslot, a preference can be submitted but with the understanding that lessons have to be allocated taking into account Tutor availability and other school activities.

### **Practice:**

- Undertaking Performing Arts tuition is a commitment on the part of the student. We ask all families involved to support their student's progress by encouraging regular practice at home (5 times a week is ideal to enable significant progress / mastery).
- A regular time and place is recommended for all practice. Small amounts of regular practice are far more beneficial than a longer practice session just before a lesson.
- High School music students may use the private tuition rooms (if available) for music practice before school, lunchtime or after school. Rooms are subject to availability and must be pre-booked with the Head of Performing Arts.

Please retain this document for your information and as a record of the commitment made. Only the enrolment form needs to be returned. All enquiries are to be directed to the Head of Performing Arts.
