## HEAD OF SPORT

This week sees the recommencement of the HZSA Afternoon Sport Competition. We eagerly follow a number of our teams who look to be in finals contention.

AAC

Students who are members of the AAC team to represent the College at the HZSA Athletics have been invited to get specialist training on Thursday afternoons from 3:30 – 5pm at the College grounds. Students are to email Miss Lombardo with their availability and the discipline they wish to train in as soon as possible. Training begins this week on Thursday.

This is a great opportunity for students to have accredited track and field coaches train them and improve their technique. We look forward to seeing the improvements they make over the course of the sessions provided. There is no cost to the students as the College is providing this free of charge.
