HEAD OF SPORT

It is hard to believe we are month into the term and we have the major athletics season approaching. In week 5 we have the HZSA Athletics Carnival followed by the AICES Carnival and then in week 10 the CIS Championships. We look forward to seeing how our athletes perform and progress in these events.

Students who are representing Arndell at the HZSA Athletics Carnival are once again invited to participate in the Coaching program on Thursday afternoons from 3:30 – 5pm. This will continue until this week. We have accredited coaches coming into work on technique and improve students. Please contact Miss Lombardo who is overseeing the program for more details. HZSA Athletic information note has been sent via email including the programme.

The date of the Carnival is next Monday 14th August 2017. The bus will be leaving the College at 6.45 am.

Crusaders: The boys travelled to William Clarke to play a touring English Side. The Crusaders were expecting a tough match and it proved to be. The English School dominated all facets of the game and brought a physicality to the game that they had not experienced. It was certainly a heavy loss, but to the boys' credit, they fought to end and showed their true spirit in the process. The boys now wait until after the HSC trials for the final and farewell games for the Year 12's. They play in a Charity shield Tournament hosted by William Clarke College.

U16s: The boys used last week to prepare for this week's match against William Clarke College. This again should be a close and tough encounter. We look forward to seeing how the result pans out.
